To Whom It May Concern:

The YMCA of Callaway County recently partnered with ACB on a feasibility study. During the study process, they adjusted their services to the meet needs of our YMCA and community. In fact, I personally spoke to several interviewees who were extremely impressed with the professionalism and accountability ACB brought to our study.

Since the feasibility study the Y board has voted unanimously to use ACB for our capital campaign and the assistance ACB has provided and the momentum they initiated has been exceptional.

It is my pleasure to recommend American City Bureau for your fundraising needs.

Sincerely,
