Dear John:

As I reflect on the progress of our campaign, I wanted to let you know how pleased we have been with Lynda and American City Bureau. In particular, Lynda's knowledge, experience and efforts have served the Health System extremely well during the initial phases of the campaign. Lynda and ACB have earned the trust and respect of staff, board members and volunteers.

Lynda works well with Nancy and the Foundation staff. She always represents KHS and ACB in a positive and professional manner. The efforts of ACB and specifically Lynda have contributed significantly to the success of the campaign.

We feel fortunate to have ACB as a partner and look forward to our continued working relationship.

Best regards,
