To Whom It May Concern:

I am writing this letter as a reference for American City Bureau, Inc. ACB was hired by the St. Joseph Family YMCA to provide consulting services to our YMCA pertaining to a Capital Campaign.

We were impressed with ACB and with the level of commitment of John Biggins to our Campaign. John and ACB provided the very best campaign preparation practices and resources available in the industry. Because of this our Y volunteers and staff were prepared with every tool in their toolbox for the campaign. John and ACB went above and beyond the scope of our campaign. John is a man of great character, approachable at any time and “lived” our campaign.

On behalf of the Board of Directors and Staff for the St. Joseph Family YMCA, I am pleased to convey to you that American City Bureau, Inc. provided outstanding service to our YMCA. I would highly recommend American City Bureau, Inc. to any organization who is currently seeking a fundraising firm.

If you chose ACB, I can promise that you will be completely satisfied with the vast resources and leadership that they will provide.

Sincerely,

Mark F. Cartledge
